

I was born and raised in Fort Wayne, IN. I have briefly lived in Columbia City, IN and Largo, FL as a child. I am a lifelong Christian professing the Lutheran faith and I have been a member of Concordia since April 1997. I believe that Jesus is my Lord and Savior and it is through grace that I have been saved.

I am a wife and mother. Together, my husband, Mike and I have three children and our first grandchild on the way. I am very involved with my family and very large extended family.

I believe that God has lead me to teach for so many reasons. I do enjoy teaching children and watching them grow in faith and maturity. I am humbled to partner with you in sharing in this journey with your children.

Blessings on this new school year!
