- After dismissal students will move to EC locations in a social distancing manner.
- Parents are asked to pick up students at the school office entrance
- A parent must sign out student in office and show a photo id to the staff member at desk
- Staff member will call for student to come to the office
- Parents are to remain outside the office area to wait for their student, parents are not required to wear a mask however we would encourage social distancing while waiting for students.
- Students will be outside as much as possible weather permitting
